Core Services Announces Joseph Ung as Senior Vice President of Sales and Marketing

Somerset, N.J., February 6, 2012 – Core Services Corporation (“Core Services”), an Oracle Platinum Partner and OAUG Three Star Partner, is delighted to announce that Joseph Ung has joined its management team as Senior Vice President of Sales and Marketing. Joseph will direct Core Services’ sales and marketing activities and guide its growth strategy.

With 22 years of experience, Joseph brings a wealth of knowledge and a breadth and depth of skills to this pivotal position. Joseph began his career at Oracle Corporation, progressing through a series of Product Line and Technical Marketing management positions, followed by further positions of increasing responsibility at Price Waterhouse and Deloitte Consulting. He then founded Thought Digital, LLC, a successful Oracle Applications consulting firm, serving as President for five years until selling Thought Digital to Zensar Technologies Limited where he has served in a senior sales management position for the past five years.

“Core Services is extremely pleased to welcome to our team as accomplished a professional as Joseph,” says Jim Bistis, President and CEO of Core Services.

Bistis continues, “Joseph is an ideal fit for us. Core Services is a company dedicated to providing superior services to technologically savvy clients. With his exceptional education and industry experience credentials, there is little doubt that Joseph can lead his team successfully in serving clients by focusing on their unique needs and formulating intelligent solutions tailored just for them. His wide-ranging experience will be a critical component in guiding us through an exciting evolution of our service offerings, including Cloud services.”

Joseph’s educational background enhances his management experience. He received a B.Sc. at Massachusetts Institute of Technology and an MBA from University of California, Berkeley. He resides in Guilford, Connecticut, with his wife and two children.
